Problem: Historically, people who go out drinking in Five Points are at risk of going missing.

Who? Residents of Columbia/Students at USC

What? An application where users are able to order liquor or any alcoholic beverage from a local bar and have the alcohol delivered to them by a driver that is paid through the app for their services.

Where? Could be used in any busy city specifically in downtown or busy party areas.

Why? People are susceptible to being abducted/killed at night in Five Points.
